

TACAIR INTEGRATION TEAM CHARTER

DOCTRINE AND TRAINING

CROSS FUNCTIONAL TEAM I

- Ref:** (a) Navy/Marine Corps TacAir Integration Memorandum of Understanding dtd 14 August 2002
(b) Navy/Marine Corps TacAir Integration Memorandum of Agreement dtd 16 August 2002
(c) TacAir Integration Team Charter dtd 31 October 2003

1. BACKGROUND

The TacAir Integration Team (TAIT) charter (Ref (c)) outlines the process for the integration of Naval Tactical Aviation. The reference forms three Cross Functional Teams (CFT) organized along the Doctrine, Organization, Training, Materiel, Leadership, Personnel, and Facilities (DOTMLPF) planning model. This sub-charter establishes CFT I, Doctrine and Training.

2. PURPOSE

CFT I is charged with facilitating the Doctrine and Training functions of the TacAir Integration process in the TacAir Integration Team Charter. CFT I consists of DoN Subject Matter Experts (SME) to make recommendations on the development, funding, and / or execution of operational concepts, doctrine and training within the Navy and Marine Corps. An O-6 representative from Commander, Naval Air Force (CNAF), will chair CFT I and will hold a seat on the Executive Steering Committee (ESC).

3. METHOD

Under this charter, CFT I will meet at least semi-annually in a forum conducive to the exchange of ideas in pursuit of an integrated and effective TacAir force. The chairman shall conduct the duties of the Doctrine and Training CFT as required to satisfy tasking. Additionally, the chairman shall facilitate coordination with other Cross Functional Teams as required.

4. ENDSTATE

The Chairman shall deliver to the ESC a Plan Of Action and Milestones (POA&M) for the Doctrine And Training elements of the integration process. At a minimum, CFT I will address the following:

- Scheduling and training of USMC squadrons for Initial integration into Carrier Air Wings.
- Scheduling and training of USN squadrons for Initial integration into Unit Deployment Program.
- Recommended CHOP timelines for USMC and USN squadrons.
- Development of Naval employment concepts.
- Other relevant tasks identified by SMEs or other CFTs.
